A pleasant surprise party was given the whole system. It drives out rheumatism because it cleanses the blood. It has been successfully used for forty years in many thousands of cases the world over.

There is no better remedy for skin and blood diseases, for loss of appetite, rheumatism, stomach and kidney troubles, general debility and all ills arising from impure, impoverished, devitalized blood.

It is unnecessary to suffer. Start treatment at once. Get a bottle of Hood's Sarsaparilla from your nearest druggist. You will be pleased with the results.

A pleasant surprise party was given Miss Louise Long at her home on Eighth street Friday evening. The evening was spent with games and musical selections. Miss Long received numerous gifts from those present. Refreshments were served by the hostess.
